

Deer Meadows and The Meadows have not currently been notified of any Critical Users on the water system as of December 31, 2019. Any resident with a compromised immune system or serious health issues should notify management of any special water needs. The water systems must maintain an up-to-date list of service customers with unique water needs as notified. Deer Meadow and The Meadows will make provisions for priority notice and safe and adequate water supply to any residents on the list.

Please verify this information with your health care provider if you think this may apply to you.

If this does apply to you, please complete the information below for our records. The form will be kept on file in our Emergency Plan.

Thank you
